

CEU THESES/DISSERTATIONS SUPERVISED BY BRANDON P. ANTHONY

Doctoral (supervisor)

1. *Understanding wildlife markets functions and stakeholders' perception to better control illegal wildlife trade in Afghanistan*
Dissertation author: Mujtaba Bashari
Year of enrollment: 2022/2023
2. *Protected area management effectiveness in Kruger to Canyons Biosphere Region, South Africa*
Dissertation author: Georgina Wilson
Year of enrollment: 2020/2021
3. *Human-wildlife Conflict and Gender in the Kakum Conservation Area, Ghana*
Dissertation author: Wisdom Galley
Year of enrollment: 2018/2019
4. *Vulture decline in Nigeria: A sociological study of trade in vulture parts for traditional medicine*
Dissertation author: Stephen Awoyemi
Year of enrollment: 2018/2019
5. *Human-wolf conflict and management solutions in the Western Carpathians*
Dissertation author: Andrea Gagyi Palffy
Year of enrollment: 2015/2016
6. *Status of Concept Implementation and Management Effectiveness of Biosphere Reserves in the Arab Region*
Dissertation author: Diane Matar
Year of enrollment: 2011/2012
7. *Key Determinants of Conflict between People and Large Carnivores in Rodna Mountains National Park, Romania*
Dissertation author: Alina Szabo
Year of enrollment: 2009/2010
8. *Adaptive Management in Protected Areas in Hungary*
Dissertation author: Agnes Bruszik
Year of enrollment: 2009/2010
9. *Water governance and sustainable rural livelihoods: the case of irrigation reform at Wovwe, Malawi*
Dissertation author: Jolly Wasambo
Year of enrollment: 2007/2008

Doctoral (committee member)

1. *Analysis of the dynamics of human-elephant interactions (HEI) in the GLTFCA in response to changing socio-ecological systems*
Dissertation author: Mary M. Ngwenya

Year of enrollment: 2017 [University of South Africa (UNISA)]

2. *Fate Control and Human Rights: Land, Governance and Wellbeing in America's Arctic*
Dissertation author: Mara Kimmel
Year of enrollment: 2010/2011

Masters

1. *Documenting the achievements and challenges of co-management in practice: a case study of the Grand Cape Mount County Co-management Association (GCMCCMA) in Liberia*
Thesis author: Olivia Livingstone
Year of Enrollment: 2021/2022
2. *Estimation of threats and recommendations for restoration improvement of Cystoseira macroalgal forests in the Mediterranean Sea.*
Thesis author: Dóra Fehér
Year of Enrollment: 2020/2021
3. *Influence of Grants on Biodiversity Threat Mitigation in the Ancestral Domain of Sibuyan Mangyan Tagabukid, Sibuyan Island, Romblon, Philippines*
Thesis author: Marjorie Marasigan
Year of Enrollment: 2020/2021
4. *An ecological coherence assessment of the Wider Caribbean Region MPA network.*
Thesis author: Rebecca Gottlieb
Year of Enrollment: 2019/2021
5. *Assessing the ecological effectiveness of protected areas in Cambodia: A quasi-experimental counterfactual estimation of avoided deforestation*
Thesis author: Benjamin Black
Year of Enrollment: 2018/2020
6. *Quantifying landcover change in the Kruger to Canyons Biosphere Reserve, South Africa: A case study from 2013 to 2019*
Thesis author: Rachel Irvine
Year of Enrollment: 2018/2020
7. *Testing the applicability of implementing the Modified Threat Reduction Assessment tool within Private Protected Areas of South Africa*
Thesis author: Jessica Wilmot
Year of Enrollment: 2018/2020
8. *Waking the Giant: community engagement and local environmental attitudes on Andros Island, Bahamas*
Thesis author: Zowey Lidyard
Year of Enrollment: 2018/2019

9. *Building Drought Resilience in Lower Shebelle Agriculture: Somalia in response to accelerated Climate Change*
Thesis author: Abdulkadir Farah
Year of Enrollment: 2018/2019
10. *The effects of cannabis legalization on forest management and conservation efforts in U.S. national forests in the Pacific Northwest*
Thesis author: Mark Klassen
Year of Enrollment: 2017/2018
11. *Use of Modified Threat Reduction Assessment to Estimate the Conservation Effectiveness of Protected Areas in Limpopo Province, South Africa*
Thesis author: Luna Milatovic
Year of Enrollment: 2016/2017
12. *Local attitudes toward wolves and wolf management in/around Bükk National Park, Hungary*
Thesis author: Katalin Tarr
Year of Enrollment: 2016/2017
13. *Community attitudes toward bears, bear bile use and bear conservation in Luang Prabang, Lao PDR*
Thesis author: Darunee Sukanan
Year of Enrollment: 2016/2017
14. *“Europe’s New Wild”: A study of the management and planning of European rewilding projects*
Thesis author: Maximiliaan Beeldens
Year of Enrollment: 2015/2016
15. *Mapping the Conflict of Raptor Conservation and Recreational Shooting in the Batumi Bottleneck, Georgia*
Thesis author: Anna Sandor
Year of Enrollment: 2014/2015
16. *Turning green into black in REDD+ forests: Preventing deforestation for charcoal production in the Kasigau Corridor REDD+ Project Area (Kenya)*
Thesis author: Ivana Kesten
Year of Enrollment: 2014/2015
17. *Population dynamics of rural livestock populations in mopaneveld savanna, Ba-Phalaborwa Municipality, South Africa*
Thesis author: Sergio Rejado Albaina
Year of Enrollment: 2012/2013
18. *Fuelwood use and harvesting patterns by rural households from the Kruger-to-Canyons Biosphere Region in South Africa*
Thesis author: Jimena Montané Azpiri
Year of Enrollment: 2012/2013

19. *Enabling Factors for Successful Community Led Collaborative Governance: A Case Study of Te Korowai o Te Tai o Marokura Kaikōura Coastal Marine Guardians*
Thesis author: Elana Michèle Hawke
Year of Enrollment: 2012/2013
20. *Insect monitoring and inventorying in Table Mountain National Park, South Africa: a case study of the ant community and invasive Argentine ant*
Thesis author: Emily Djock
Year of enrollment: 2012/2013
21. *Protected Area Management Effectiveness in Grenada: A Modified Threat Reduction Assessment of the Molinière/Beauséjour Marine Protected Area*
Thesis author: Erin Loughney
Year of enrollment: 2012/2013
22. *Protecting green spaces: Identifying areas for protection in Felsőrákos meadows (Budapest, Hungary) through habitat mapping*
Thesis author: Lea Végh
Year of enrollment: 2011/2012
23. *Assessing biodiversity threat mitigation efficacy: A case study of Kakum Conservation Area (2004 to 2012)*
Thesis author: Brittany Anderson
Year of enrollment: 2011/2012
24. *Setting the priorities for threat reduction management in protected areas in Ukraine*
Thesis author: Olena Kovalenko
Year of enrollment: 2011/2012
25. *Assessing the influence of tourism in Khar Us Nuur National Park, Mongolia with the Modified Threat Reduction Assessment*
Thesis author: Anudari Ganbaatar
Year of enrollment: 2010/2011
26. *Vegetation biodiversity survey and seed rain assessment as part of long-term reforestation monitoring at the Cloud Forest School in Monteverde, Costa Rica*
Thesis author: Lisa Lamb
Year of enrollment: 2010/2011
27. *The need for improved monitoring for carnivore management: A case study in the Rodna Mountains, Romania*
Thesis author: James David Duncan
Year of enrollment: 2009/2010
28. *Philippines small scale fisheries towards sustainable development*
Thesis author: Fanny Lie
Year of enrollment: 2009/2010

29. *Understanding the Conflict between Wild Boar and Humans in the Department of the Moselle, France*
Thesis author: Mark Ryan
Year of enrollment: 2009/2010
30. *Transboundary cooperation concerning bird migration: case study of Fertő Hanság National Park in Hungary and Neusiedler see Seewinkel National park in Austria*
Thesis author: Kateryna Bauman
Year of enrollment: 2008/2009
31. *Alteration of the alpine vegetation due to climate change in the Karwendel Alps, Tyrol, Austria*
Thesis author: Agnes Zolyomi
Year of enrollment: 2008/2009
32. *The role of "Environment" domain as a determinant of aboriginal community health of the Fond du Lac Denesuline First Nation in Northern Saskatchewan, Canada: A local perspective*
Thesis author: Soultana Stylianidou
Year of enrollment: 2008/2009
33. *Human wildlife conflict management around Kakum Conservation Area, Ghana*
Thesis author: Akua Mwendalubi Addo Boadu
Year of enrollment: 2008/2009
34. *Climate Change Impact on Biodiversity and its Implications for Protected Areas Management: Case study of Dashtidjum Zakaznik, Tajikistan*
Thesis author: Anastasiya Idrisova
Year of enrollment: 2008/2009
35. *At the coal face: Angler knowledge of environmental processes and its potential integration into management of New Zealand's Motueka River catchment*
Thesis author: Anne-Claire Loftus
Year of enrollment: 2007/2008
36. *The value of local biodiversity to communities in Madang Province, Papua New Guinea*
Thesis author: Dalia Bastyte
Year of enrollment: 2007/2008
37. *New insights into monitoring protected area management in Lebanon*
Thesis author: Diane Matar
Year of enrollment: 2007/2008
38. *Efficiency of policy measures for managing the introduction pathways of alien species in Estonia*
Thesis author: Lilika Kais
Year of enrollment: 2007/2008
39. *Indications of changes in life history of fish as a result of hydroelectric power plants construction on the Dniester River*
Thesis author: Olga Kiseliova
Year of enrollment: 2007/2008

40. *Protected Areas and Local Communities: The Case Study of Vanatori Neamt Natural Park, Romania*
Thesis author: Doina Cojocariu
Year of enrollment: 2006/2007
41. *The End of the Line? Benchmarking South Africa's Traditional Linefishery*
Thesis author: John Duncan
Year of enrollment: 2006/2007
42. *The Story of a Community Based Greenway Initiative: Rural Livelihoods and the "On Our Heritage Trail Greenway", Hungary*
Thesis author: Agnes Kirschenbaum
Year of enrollment: 2006/2007
43. *Protecting wildlife on public lands: national security and wildlife conservation along the United States-Mexico border*
Thesis author: Laura Cheney
Year of enrollment: 2006/2007
44. *Conservation attitudes of local people: the case of the Macin Mountains National Park, Romania*
Thesis author: Dragos Moldovan
Year of enrollment: 2005/2006
