

Dr. Michael Carnegie LaBelle

Associate Professor, Central European University
Jean Monnet Chair in Energy and Innovation Strategies
Department of Economics and Business, & Department of Environmental Sciences and Policy
Nador Utca 9, Budapest, 1051, Hungary
Email: labellem@ceu.edu

updated: September, 2018

Dr. Michael LaBelle is an associate professor and the Jean Monnet Chair in Energy and Innovation Strategies at Central European University in the Department of Environmental Sciences and Policy and the Economics and Business Department. He conducts research on energy innovation strategies and policies, energy justice and governance. Professor LaBelle publishes in top-ranked academic and industry journals, including *Energy Policy*, *Energy Research & Social Science* and *Oil, Gas & Energy Law Journal*. Past topics include energy justice, shale gas development in Eastern Europe, EU energy policy and strategies of CEE energy firms. Teaching themes include innovation and commercialization of new energy technologies, energy regulatory governance. Project work done includes the European Commission, European Parliament, United States Agency for International Development, the National Association of Regulatory Utility Commissioners, Energy Regulators Regional Association and with energy consulting companies. He holds an MSc and PhD in Geographical Sciences from the University of Bristol.

A. EDUCATION

-
- | | |
|------------------------|---|
| 2001 – 2006 | Ph.D. in Geographical Sciences , University of Bristol, UK
<i>Dissertation: Powering the Deregulation of Electricity: The (Re)Organization of Space and Scale through Neoliberal Regulations.</i> Examines electricity deregulation in Michigan and Wisconsin, assesses political-economic and spatial strategies of energy companies and the US Federal Government.
<i>Learning emphasis:</i> Political-economic geography, qualitative methods, U.S. regional and national energy policy |
| 2000 – 2002 | M.Sc. in Geographical Sciences , University of Bristol, UK
<i>Thesis: The Divorce of the Hungarian Nation from its Territory: Globalization and Regionalization in East Central Europe.</i> Examines Hungarian nationalism and reintegration of the Diaspora.
<i>Learning emphasis:</i> Economic geography, nature and society, philosophy, urban and regional policy, and qualitative methods |
| 1996 -1998 | B.A. in Geography & International Studies cum laude, University of Minnesota Duluth
<i>Learning emphasis:</i> Cultural geography, economic geography, geographic thought, public land policy, and Russian studies |
| 1995 – 1996 | International Relations , Michigan State University
<i>Learning emphasis:</i> International security and Russian |
| 1/1994 – 6/1994 | Certificate in International Relations , Umeå University, Sweden
<i>Learning emphasis:</i> International organizations and the Cold War |
| 1992 – 1995 | A.A. in Communications and Speech , Northwestern Michigan College, Traverse City, MI
<i>Learning emphasis:</i> Journalism, economics, and biology |

B. PROFESSIONAL EXPERIENCE

- 8/2017 – present** **Jean Monnet Chair in Energy and Innovation Strategies**, The Education, Audiovisual and Culture Executive Agency (EACEA) of the European Union, Erasmus+ Programme
- 1/2017 – present** **Associate Professor**, *Central European University Business School and Department of Environmental Sciences and Policy*, Hungary
- 8/2016 – 7/2017** **MBA Program Director**, CEU Business School fulltime one-year MBA program
- 8/2012 – 12/2016** **Assistant Professor**, *Central European University Business School and Department of Environmental Sciences and Policy*, Hungary
- 2/2012 – 7/2012** **Program Developer, Innovation and Sustainability** *Central European University, Business School*, Budapest, Hungary
- 4/2011 – 2/2012** **Research Project Manager**, *Central European University, Center for Climate Change and Sustainable Energy Policy*, Budapest, Hungary
Develop and manage research projects; provide support to junior researchers; oversee center's budget
- 1/2010 – 4/2011** **Independent Consultant**, *Limax Energy*, Budapest, Hungary
Consultant on energy market and regulatory studies; project development
- 5/2005 – 12/2009** **Research Associate**, *Corvinus University of Budapest, Regional Centre for Energy Policy Research (REKK)*, Budapest, Hungary
Research energy policies and regulations; proposal writing and project coordination; instructor on specialized energy regulatory courses
- 2004** **Researcher**, *West of England Strategic Partnership*, Bristol, UK
Analyze competitiveness of economic sectors in South West England

C. SCHOLARLY ACTIVITIES

1. PUBLICATIONS IN REFEREED JOURNALS

Conference paper for the European Electricity Market – Challenge of the Unification, EEM-06, Technical University of Lodz, Warsaw, May 2006 (peer reviewed)

LaBelle, M. "Plowing the Regulatory Landscape in the Dark: The reality of breaking down monopolies and creating competitive space in the Midwest." Conference paper for the joint Royal Geographical Society and the International Geographical Union annual conference, Glasgow, 2004. (peer reviewed)

4. WORK IN PROGRESS

King, B., LaBelle, M., Stojilovska, A. 'Can the Energy Union Deliver Energy Justice',

LaBelle, M. 'Energy In-Security: The Competition and Cost of Eastern Europe's Energy Markets', book, projected completion ~2018

5. REFEREE FOR JOURNALS AND BOOKS

- *Energy, Sustainability and Society*, 2016
- *Environmental, Engineering and Management Journal*, 2016
- *Nature Energy*, 2016
- *Energy Research and Social Science*, 2016 -present
- *CRC Press/Taylor & Francis*, 2015
- *Energy Policy*, 2009 - present
- *Energy Strategy Reviews*, 2013
- *Environmental Engineering and Management Journal*, 2014

6. AWARDS, SCHOLARSHIPS, POSITIONS AND MEMBERSHIPS

8/2017 – present Jean Monnet Chair in Energy and Innovation Strategies, The Education, Audiovisual and Culture Executive Agency (EACEA) of the European Union, Erasmus+ Programme,

2015-2017 "Energy end-use transition and innovation in Central and Eastern Europe," Funding part of University wide intellectual theme on Energy and Society, in the project, 'Political Economy of Energy Transitions' with other faculty: Professors Aleh Cherp, Michael Dorsch, Karl Hall. February 2016 – January 2018

- *Climate Kic, Pioneers into Practice – interns/research assistants.* Sponsored (paid) interns, One month long internship hosting a research assistant:
 - September 2015, Katarzyna Predkiewicz
 - September 2014, Joaquim Vilarinho
 - June/July 2014, Anne-Marie Roth

2/2013 – present Committee member of Institute for Entrepreneurship and Innovation, CEU Business School

11/2011 – 2014 Member of Emerging Leaders in Environmental and Energy Policy Network, Atlantic Council of the United States
 Study tour: *American perspectives on energy and climate policy and innovation*, study tour focused on shale gas and energy efficiency, the trip included stops in Denver, Boulder, Colorado; San Francisco, Stanford University and Sacramento, California.
 Study tour: *Energy Efficiency* study tour in London and Aberdeen, United Kingdom.

7/2011 – 2015 Geopolitical Energy Analyst, Natural Gas Europe, www.naturalgaseurope.com

2004 London School of Economics, CARR – Deutsche Bank Travel Fund, £60.00

2001 – 2004 University of Bristol Postgraduate Scholarship, £9,000 pa + tuition

2001 – 2004 University of Bristol International Student Scholarship, £2,000 pa

2002 Worldwide University Network (WUN) scholarship to University of Wisconsin for 3 months research fellowship £2,300

1998 University of Minnesota, Undergraduate Research Opportunities Program, \$1,200

7. PRESENTATIONS: CONFERENCE, WORKSHOP AND SEMINAR PRESENTATIONS

2018

Energy Justice and Culture: Innovation and geopolitics in Lithuania, Presented at European Consortium for Political Research, General Conference, Hamburg, Germany, Aug 23 – 25, 2018

Energy Culture: Innovation, equity and geopolitics in Eastern Europe, 9th International Sustainability Transitions Conference, University of Manchester, June 12 – 14, 2018

LaBelle, M. *Trade-Offs Between Energy Innovation and Price: State Responsibilities and Energy Justice*, Presentation for CYSENI Lithuanian Energy Institute, Kaunas May 23-23, 2018

2017

LaBelle, M. Smart Cities Information System conference, Regional Environmental Center, conference moderator, Budapest, 2-3 October, Budapest

LaBelle, M. *Smart Energy Technology Governance: Regulating information flows*, 1st International Conference on Energy Research & Social Science, Melia Sitges, Spain 2-5 April 2017,

LaBelle, M. *Smart Energy Technology Governance: Regulating information flows*, 5th Annual University of Eastern Finland Law School, Energy Transitions Conference, March 9 – 10, 2017

LaBelle, M. Queen Mary University of London, *Case study: Investment decision making in Polish Shale Gas*, Energy Law Summer School, June 19 – 23, 2017

2016

LaBelle, M. Speaker, *Smart Future, Innovation, E-Mobility*, Budapest Energy Summit, Budapest, Hungary, Dec. 5-6

LaBelle, M. moderator, *Addressing Climate Change and Encouraging Clean Energy Development*, Antal Jozsef Knowledge Center, Budapest, Hungary Nov. 17, 2016

LaBelle, M. moderator, *CEO Roundtable, Portfolio Energy Investment Forum*, Budapest, Hungary Nov. 5, 2016

LaBelle, M. *Profits and Poverty: Regulating utilities for energy justice*, Royal Geographic Society & Institute of British Geography, Annual Conference 2016, Aug. 30 – Sep. 2, 2016, Exploring the Energy Justice Nexus, London

LaBelle, M. *Smart Energy Technology in the CEE Region: Why it takes smart policy to spur innovation*, Smart 2016, T-Com, Budapest, Hungary, May 23, 2016

LaBelle, M. *Smart Energy Technology in the CEE Region: Why it takes smart policy to spur innovation*, CEU Business School Infosession, Budapest, Hungary May 5, 2016

LaBelle, M. Panelist, *The climate policy, innovations and the RES – Strategy of the future of energy utilities* and *Perspectives of liberalization in the CEE&BALTREG*, Forum InnoPower and ERRA Regulatory Innovation Day, Poznan, Poland, May 12-12, 2016

LaBelle, M. *Corruption or Justice? Redefining energy justice in Central Eastern Europe*, 4th Annual University of Eastern Finland Law School, Energy Transitions Conference, March 3 – 4, 2016

LaBelle, M. *Central Eastern European Gas Sector*, Mapping out vulnerable sectors in the Eastern Partnership countries, Central European University, Budapest, Hungary, Jan. 31, 2016

2015

LaBelle, M. *Sustainability in Business: Innovation, collaboration and value chains*, one-day workshop, Climate KIC – Poland, Nov. 22, 2015, Wroclaw, Poland

LaBelle, M. moderator, *Portfolio Energy Investment Forum*, Budapest, Hungary Nov. 5, 2015

LaBelle, M. *Sustainable Supply Chains*, Climate KIC -Hungary, Budapest, Hungary, Oct. 23, 2015

LaBelle, M. *Eco-Innovation: sharing Economy driving innovation*, CEU Business School MBA Fair, Belgrade, Serbia Sep. 17, 2015

LaBelle, M. Panelist, *'The Role of Gas in the Future Energy Mix'* Economic Forum, Krynica Zdroj, Poland, Sep. 9 – 11, 2015

LaBelle, M. *Sustainability and the New Sharing Economy*, Climate Kic, Workshop, Gregersen Art Point – Budapest, June 11, 2015

LaBelle, M. *Energy In-Security: The Competition and Cost for Eastern Europe's Sovereign Energy Markets*, 'The evolving notion of security in law and policies on energy investment: international and national perspectives', University of Liverpool, in partnership with Investment Treaty Forum, May 29, 2015

LaBelle, M. *Governance in an Energy (in)secure Europe*, University of Sofia, Bulgaria, May, 14, 2015

LaBelle, M. *The Energy Middle Ground: Expanding the gas business between Baku and Berlin*, CEU Business School Info Session, Baku, Azerbaijan, March 13, 2015

LaBelle, M. "CEU Press briefing on Hungarian and Russian Energy Relations", CEU, February 26, 2015

LaBelle, M. *The (Un)Certainty in Polish Shale Gas*, Managing Risks in the Shale Industry: A Comparison of Policies Worldwide, University of Pittsburgh, March 17 – 20, 2015.

2014

5. RESEARCH PROJECTS AND CONSULTANCIES

- 1/2016 – 2018** **Researcher**, LaBelle, M. "Energy end-use transition and innovation in Central and Eastern Europe" Funding part of University wide intellectual theme on Energy and Society, in the project, 'Political Economy of Energy Transitions' with other faculty: Professors Aleh Cherp, Michael Dorsch, Karl Hall. February 2016 – January 2018
- 1/2014 – 6/2014** **Consultant**, LaBelle, M. and Deak, A. "2014 EU Energy Benchmarking Report: Hungary country study, analysis and recommendations." **Subcontractor to AF Mercados**, Directorate General for Energy, European Commission, Brussels, Finished in June 2014, Published 2015. *Only non-AF Mercados consultant to participate.*
- 8/2012 – 9/2012** **Consultant**, LaBelle, M. *Citizens' petitions on shale gas extraction in Bulgaria and Poland*, Committee on Petitions, European Parliament, Directorate General FOR Internal Policies Policy Department C: Citizens' Rights and Constitutional Affairs Brussels, October 9, 2012
- 11/2010 – 4/2011** **Consultant**, *Energy Regulators Regional Association 10-Year Anniversary Publication*, **Energy Regulators Regional Association (ERRA)**. All CEE/SEE, CIS and selected Middle East countries. Authored booklet examining regulatory knowledge transfer and assessment of association's activities. Conducted 35 interviews with leading regulatory thinkers, conducted survey.
- 11/2010 – 4/2011** **Researcher**, *European Southern Corridor Survey*, **Limax Energy Consulting**. Conducted an online survey of energy professionals to assess the perspectives and motivations of various pipeline projects and impact on security of supply.
- 10/2008 – 10/2011** **Researcher**, *Pathways for Carbon Transitions*, **European Commission**. European Union. Responsible for creating risk governance assessment for implementing low carbon technologies. Conducted 34 interviews and provided input to modelling exercise.
- 1/2009 – 12/2009** **Project sub-coordinator**, *Study On Methodologies for Gas Transmission Network Tariffs and Gas Balancing Fees in Europe*, **European Commission Directorate-General Energy and Transport**. Czech Republic, Hungary, Romania and Slovakia. Responsible for coordinating consultants in four countries and with lead consulting company.
- 5/2008 – 2/2009** **Researcher**, *Electricity Post-Privatization: Initial Lessons Learned in South East Europe*, **United States Agency for International Development and National Association of Regulatory Utility Commissioners**. Bulgaria, Macedonia and Romania. Arranged 27 in-country interviews to identify problematic issues experienced after privatization. Recommended ways to mitigate problems in future privatizations.
- 4/2008 – 7/2008** **Consultant and project leader**, *Market Modeling and Market Analysis of Hungary and Romania*, **private client**. Analyzed regulations,

legislations and generation markets. Coordinated report development with main contractor and research staff.

- 10/2007 – 12/2007** **Researcher**, *Southeast European Market Monitoring Project*, **United States Agency for International Development and National Association of Regulatory Utility Commissioners**. Albania, Croatia, Bosnia-Herzegovina, Bulgaria, Hungary, Macedonia, Montenegro, Romania and Serbia. Identified barriers to electricity cross border trade. Conducted interviews and provided recommendations to reduce cross-border electricity trading barriers. Presented results to meeting of national TSOs, regulators and international institutions.
- 5/2007 – 9/2007** **Editor and co-author**, *Regulating our Energy Supply: A prime objective in serving our people*, **INOGATE Training Manual**, **INOGATE Programme, European Commission, Brussels**. Created training booklet for high level staff in energy regulatory agencies and ministries in the Commonwealth of Independent States. Students rated the course material 94% essential and 100% related to the topic.
- 10/2006** **Organizer and moderator**, *Future of Nuclear Power in Central Eastern Europe Conference*, **Pacs Nuclear Power Plant**, Hungary. Determined key discussion topics, identified and invited professional speakers. Moderated sessions.
- 6/2005 – 9/2006** **Researcher**, *Central Eastern European Energy Market Project*, **Hungarian energy companies**. Austria, Croatia, Czech Republic, Hungary, Romania, Slovakia and Slovenia. Identified energy market barriers in CEE region through questionnaire and 24 in-country interviews.

6. TEACHING

TEACHING

Department of Environmental Sciences and Policy

- 2017 – 2019** *Energy Innovation Lab, 1 credit*
- 2018/2019 winter
- 2017 – 2019** *Energy Policies and Strategic Management, 2 credit*
- 2018/2019 winter
- 2017 – 2019** *Energy Transitions and Climate Change, 1 credit*
- 2017/2018 fall
- 2015 - 2017** *Energy Infrastructure: Management and Policy, 3 credits*
- 2016 Winter 2a
 - 2017 Winter 2a
- 2012 - 2017** *Epistemology of Qualitative Social Science Research, 1 credit*

- 2016 Winter 2a
- 2017 Fall

2012 - 2014 *Energy Challenges in the 21st Century*, 1 credit

- 2012 Fall
- 2013 Fall
- 2014 Fall

2013 – ongoing *Sustainable Energy Solutions*, 1 credit

- 2013 Winter 2b (2 credits)
- 2014 Winter 2b (3 credits)
- 2015 Winter 2b (2 credits)
- 2016 Winter 2b (1 credit)
- 2017 Winter 2b (1 credit)

2013 *Energy Policy and Markets*, ENV5 5003, 1 credits

- Winter 2b

CEU Economics and Business Department

2017 – 2019 *Smart Energy, Big Data and Innovation Strategies*,

- 2018 winter (3 credit)
- 2018 fall (2 credits)

2017 – 2019 *Energy Markets and Innovation Policies*

- 2018/2019 winter, (2 credits)

2017 – 2019 *Energy Markets Lab*, (1 credit)

- 2018/2019 winter

CEU Business School

2015 – ongoing Boardroom Energy Scenarios, Co-teaching with Tibor Voros, 3 credits

- 2016 Winter
- 2017 Winter

2012 – 2015 *Energy Policy, Environment and Management*, Joint course offered for CEU Business School and Department of Environmental Sciences and Policy, 2 credits [course now part of Env. Sci. and Policy dept.]

- 2014 Winter 2b
- 2015 Winter 2b

2012 – ongoing *Management of Resources and Technologies*, (previously) *Resources, Technology and Energy Markets*, Fulltime MBA program, 2 credits

- Fall 2012
- Summer 2014

- Summer 2015
- Summer 2016
- Summer 2017

- 2012 – ongoing** *Collaborating for Green Growth,*
- Summer 2012 (Executive MBA program)
 - Fall 2012 (Fulltime MBA Program)
 - Fall 2013
 - Fall 2014
 - Fall 2015

- 2012** *Energy Revolution and Eco-Industry, 1.5 credits*
- Winter 2013

Additional Teaching

- 9/2016** **Visiting lecturer**, ‘A State of Risky Innovation: Building sustainable energy businesses in Central Eastern Europe’, Kenan-Flagler Business School, University of North Carolina
- 11/2015** **Instructor**, *Sustainability in Business: Innovation, collaboration and value chains*, one-day workshop, Climate KIC – Poland, Nov. 22, 2015, Wroclaw, Poland
- 6/2008 – 8/2008** **Advisor**, *Yale Bulldogs Abroad Program*, advised student Argyris Tsiaras for a summer research internship, his report: The New Great Game and Dominance in Eastern Europe: Nabucco versus South Stream
- 7/2008** **Instructor**, *Regulatory Benchmarking in the EU*, Central European University Summer School, Energy Regulators Regional Association Training, Budapest; course evaluation “balance between theory and practice”- 84%; “overall satisfaction”- 82%
- 7/2007** **Instructor**, *Regulatory Benchmarking in the EU*, Central European University Summer School, Energy Regulators Regional Association Training, Budapest, July 2007 course evaluation “balance between theory and practice”- 82%; “overall satisfaction”- 82%
- 2/2007** **Instructor**, *Regulatory Benchmarking in the EU*, Energy Regulators Regional Association Training, Introduction to Energy Regulation, Budapest; course evaluation “clarity of teaching”-84%; “quality of teaching”- 82%
- 3/2007 – 3/2007** **E-learning administrator**, *Price, Regulation and Tariff online course*, Energy Regulators Regional Association, Budapest; 6 week online course for students in Central Asia, Middle East and Central Eastern Europe
- 10/2002 – 5/2004** **Geography Tutor**, *University of Bristol, UK*
Taught students core concepts in Geography and how to analyze journal articles; Emphasis on Nature and Society and Political-Economic Geography
- 10/2002 – 5/2004** **Geography Teaching Assistant**, *Geographic Methods, University of Bristol, UK*
Aided students in developing methodological approaches to qualitative research studies, including archival research, history of maps, urban landscapes and questionnaire design

A. STUDENT ADVISING

PHD SUPERVISION:

Primary Supervisor for PhD Candidates:

- Ana Stojilovska, *Synergies between energy poverty, the residential heat market and local energy policies - evidence from Macedonia Energy*
- Brian King, *Energy (D)efficiency and Energy Security in Poland and Hungary*
- Sergi Moles Grueso, *Exemplary buildings: Aims or means in energy demand governance*

Secondary Supervisor for:

- Aniko Dobi-Rozsa
- Mukesh Gupta

Masters Thesis Supervisor

- Bruno Deremince, *Study of the Different Strategies Implemented by Ethanol Europe Renewable Ltd in order to Strive in the European Fast-Changing Political Framework*
- Thriпти Puthran, *Environmental Innovation Dynamics: Integrating Policies, Organization and Innovation in the Wastewater Treatment Industry*
- Radostina Slavkova, *Energy Poverty in Bulgaria. Policy Measures for Alleviating It*
- Aaron Perry (*Thesis completed with distinction*), 2014
- Umashree Pancholy, 2014

Pastoral supervision:

- Pastoral supervisor for MBA students and Environmental Sciences and Policy students

B. UNIVERSITY, SCHOOL AND DEPARTMENTAL SERVICE

10/2016 Memorandum of understanding between Siemens-Hungary and CEU around course work and research on energy and sustainability in business

8/2016 – 7/2017 MBA Director of the fulltime accelerated MBA Program

4/2012 – 7/2017 Committee Member of the Institute for Entrepreneurship and Innovation, CEU Business School

CEU Business School Recruitment Presentations:

- LaBelle, M. *Smart Energy Technology in the CEE Region: Why it takes smart policy to spur innovation*, CEU Business School Infosession, Budapest, Hungary May 5, 2016
- LaBelle, M. *Eco-Innovation: sharing Economy driving innovation*, CEU Business School MBA Fair, Belgrade, Serbia Sep. 17, 2015
- CEU Business School Info-Session Presentations: Nov. 2014, May 2014, March 2014, Jan. 2013, Fall 2013.
- Recruitment trips: Vienna, Nov. 2012; Croatia, Feb. 2013; Istanbul Oct. 2013,
- CEU Business School Events

9/2012 – present Compile MESPOM and 1 year MSc Syllabi into course programme guide each term

12/2012 Organized Business School Roundtable

2012 – 2016 Attend Balaton retreat for new Environmental Sciences and Policy students

10/2013 - present Faculty advisor for Energy Policy and Research Group (EPRG)

- 2017/18 Academic year, organized bimonthly guest lectures and roundtable discussions. Including:
 - Europe's Gas Paradigm in Flux, June 8, 2018
 - Roundtable on "Energy Storage Technology: Is the CEE Region Ready?", March 9, 2018
- Organized with student assistance the United in Diversification? Implications of the Russia-Ukraine Conflict on Central and Eastern Europe's Gas Supply, CEU gas roundtable, May 17, 2014. The event received widespread coverage in the Hungarian media, 8 Hungarian media outlets reported and the event and around a dozen diplomats attended the event, in addition to the CEU community.
- In the 2014/2015 student interest is high, and EPRG is expanding to students and alumni in the CEU Business School.

C. PROFESSIONAL DEVELOPMENT

7/2013 & 2/2014 Attended Harvard Business School, Global Colloquium on Participant-Centered Learning, July 21-27, 2013
